Love is in the Air! (by Andrea Dickerson)

We will be having our Valentine's Day parties on Monday, February 12th for the 4's and Tuesday, February 13th for the 3's. Please read the following information:

Four-year-old class: Attached you will find a list of names of your child's classmates. We are asking that the children attempt to CUT out the names and attach them to their Valentine cards. With help from a parent, the children can write their own name on each card.

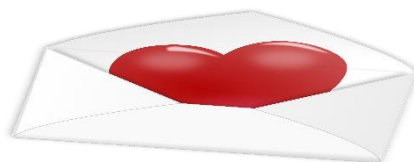

Three-year-old class: Attached is a list of your child's classmates. Parents can write their own child's name on each card. As long as there is a card for each child, you don't have to write the names on the card. (unless you want to!)

BOTH CLASSES:

Candy or treats: If you want to attach a piece of candy/treat to each card, you can. We will provide the main snack for the day - Cookie and fruit.

The student-teachers will help the children deposit their cards in all the boxes.

We are asking that you and your child make the Valentine boxes or containers at home. Send them to school along with the cards on the day of the party. Please make sure the slots are wide enough for larger cards and/or treats.

Preschool fees and Tax information:

The February fees for the 4's are \$40.00. The fees for the 3's are \$25.00. These totals reflect the snow day credits from January. Please pay your fees by February 15th or 16th. If you need your 2017 child care payment total for tax information, please see Mrs. Wolfe.

C-TEC's tax ID number is: 31-0793684.

Scholastic Book Orders

Thank you to everyone who has ordered books online. Our preschool receives free books and other supplies when parents order. If you would like buy an inexpensive book for your child, Scholastic has so many to selections! All online orders need to be placed by February 16th.

"Triple P" Positive Parenting Seminar

Some of you have probably noticed that once each quarter we have been sending home flyers for various seminars that have been offered by the Newark YMCA and sponsored by Licking Memorial and Our Futures of Licking County related to parenting strategies. Mrs. Chopin and Ms. Dickerson are trained "Triple P" providers. "Triple P" is a program developed out of Australia which promotes positive parenting and provides strategies for dealing with issues that may arise while attempting to raise a child. We all know that children do not arrive with a "Operator's manual" and at times parenting can become quite challenging no matter what a child may be like. All children have very different temperaments, interests, and ability levels. The "Triple P" format addresses some of the most common issues ranging from ways to establish bedtime routines to dealing with disobedience. Coming up on February 15th, Ms. Dickerson will be joining with Tevis Austin from Spring Hills Baptist church to offer a discussion group entitled "Dealing with Disobedience" present the 2nd seminar in the series entitled "Raising Confident, Competent Children" at the Newark YMCA beginning at 6:30 p.m. Attached is a flyer providing you with information how to register. Childcare will be provided so parents can relax and enjoy the seminar.
