

C-TEC Preschool Academy  
Morning (AM) November 2017 Newsletter

*Happy Thanksgiving! (by Andrea Dickerson)*

It's hard to believe that we are already to November. It seems like preschool started just a few weeks ago. We have been having so much fun working with your children; the time seems to fly by! November and December will be busy months. Please pay close attention to the information that follows and the calendar.

*Fees*

November fees are \$50.00 for the 4's and \$35.00 for the 3's. Please make your payment by November 16<sup>th</sup> or 17<sup>th</sup>.

*C-TEC Craft Show*

On Saturday, November 11<sup>th</sup>, C-TEC will host its annual craft show. Over 100 crafters will be here. Lunch and bake sale items are available. Our student teachers will be helping with the food service as a fund-raiser. If you haven't been to the craft show in the past, I encourage you to come and see what we have to offer!

*Book orders*

This month we will accept orders from the November and December Scholastic book club flyers. All orders are due November 10<sup>th</sup>. Christmas orders will be here by Christmas break.

## *Inclement Weather*

As we approach the winter weather months please be certain you remember the following:

### SNOW DAYS AND TWO-HOUR DELAYS

You should receive a phone call from our Alert System if there is a snow day or two-hour delay. However, it is a good idea to watch the Columbus morning news or listen to the local radio programs for up-to-date information. The main thing to know is this: If C-TEC high school classes are cancelled OR on a two-hour delay, the MORNING preschool is cancelled. (Please note: the **afternoon** preschool MAY not be affected by the two-hour delay).

You will be credited \$5.00 on your next month's statement if we have a snow day.

And one last thing: C-TEC is NOT part of Newark City Schools. C-TEC administrators make their own decisions about the weather.

### *Hands On Days*

November 17, 20, 21, C-TEC will be hosting Hands-on days. This is when we invite sophomore students from the county and city schools to visit various programs at C-TEC. During this time, the visiting students who are interested in the Teaching Careers program will be observing the preschool lab and possibly working with your child. A few of our student-teachers may or may not be here during the visitation time and your child may notice, but rest assured, all will be back to normal November 27<sup>th</sup> when the students return from Thanksgiving Break. During Hands-On days, we will run preschool as normal and all the students and children will be supervised.

### *The Works Field Trip*

Please read the attached note about The Works field trip. Return the permission slip to us by November 10<sup>th</sup>.

## Christmas parties

On Thursday, December 14<sup>th</sup> and Friday, December 15<sup>th</sup> we will be holding our annual Holiday parties for the preschool children. We want to extend an invitation to all family members to take part in the festivities. The parties will start at 9:30 a.m. and end at 11:00 a.m. Activities will include holiday songs, refreshments, and make-and-take-crafts. We hope you can come! If you would like to bring a plate of cookies, we will have a sign-up sheet on the bulletin board in the reception area.

## SAVE THE DATE
