

C-TEC Preschool Academy  
Afternoon (PM) November 2017 Newsletter

Happy Thanksgiving

*We are having so much fun!* (by Bev Chopin)

It's hard to believe that we are already to November. It seems like preschool started a few short weeks ago - time just flies! November and December will be busy months. Please pay close attention to the information in this newsletter and the calendar items. And, believe it or not, it's time to read over our SNOW DAY policies in the Parent Handbook. We've also included in this newsletter a quick rundown.

*C-TEC Craft show*

On Saturday, November 11<sup>th</sup>, C-TEC will host the annual Skills USA craft show from 9:00 a.m. to 3:00 p.m. Over 100 crafters will be here and lunch and bake sale items are available. If you haven't been to the craft show in the past, we encourage you to come and see what we have offer. Hope to see you there!

*Scholastic Book Orders*

This month, we will accept orders from the November and December flyers. All orders will be due by Friday, November 10<sup>th</sup>. Ordering this early will ensure they arrive before Christmas break.

*Fees*

The November fees are \$55.00 for the four-year-olds and \$35.00 for the three-year-olds. Please make your payment by November 16<sup>th</sup> or 17<sup>th</sup>.

*Four-year-old Field Trip*

Please read the attached handout about the November 15<sup>th</sup> field trip to The Works. Sign and return the permission slip no later than November 10<sup>th</sup>.

### *Hands-On Days*

For those of you who are not familiar with what "Hands-On" days are, this is when C-TEC invites sophomore students from the county and city schools to visit various programs at C-TEC so they can decide if they might be interested in attending C-TEC for their junior and senior years. On November 17, 20, 21, the visiting students who are interested in Teaching Careers will be spending time observing the preschool lab and possibly working with your child. Due to the number of people coming to visit each day, it will be necessary to lessen the number of student-teachers at school so as to relieve the "people congestion." As parents, you might want to discuss this aspect with your child to prepare them for all the new people they will see during the week. They may also notice a few of their student-teachers are missing as well. Rest assured that we will run preschool along the same schedule and the only difference might be several new people for them to meet. All students and children will be fully supervised.

### *Snow days and Delays*

You should receive an emergency alert phone call if C-TEC is cancelled or on a delay. It still is a good idea to listen to your radio, watch the TV or computer for the weather stations announcing school closings and delays. If C-TEC is cancelled, preschool is cancelled. If C-TEC is on a delay, *ONLY* the morning class will be cancelled. The afternoon preschool will go on as normal *UNLESS*, the weather gets worse and C-TEC dismisses early. Please remember that we are *NOT* part of Newark City Schools. C-TEC makes its own decisions about closing.

### *Let's talk Christmas!*

We would like to invite you to our Christmas parties. This is a fun time for you and your child. The children will be performing songs for you. There will also be time to make Christmas crafts together, eat some treats and enjoy time with other parents! The 3's party is Dec. 14<sup>th</sup> and the 4's is Dec. 15. More details later!

*Important Dates*

*November events*

Monday	Tuesday	Wednesday	Thursday	Friday
		<u>1</u> 4's preschool	<u>2</u> 3's preschool	<u>3</u> 4's preschool
<u>6</u> 4's preschool	<u>7</u> No preschool*	<u>8</u> 4's preschool	<u>9</u> 3's preschool	<u>10</u> 4's preschool  Book orders due online
