

Job/Career EXPO

Licking County junior and senior high school students are invited to participate, the last Friday in April, in the Job/Career EXPO at C-TEC, 150 Price Road, Newark, Ohio. Student come prepared with resume and interview attire to network with local business/industry representatives during their lunch periods to gain knowledge about employment opportunities in the Licking County and surrounding areas. Institutions of higher education including apprenticeship opportunities are also available to assist students in planning for postsecondary education and training.

Business and industry representatives bring employment applications, employment brochures and any other items necessary to stimulate employment interest.

This EXPO supports the Career Development Key Topics: *Self Awareness, Self Assessment, Career Information, Exploration, Future Trends, Employability Skills, Decision Making-Goal Setting, Community Involvement, Economics and Career/Technical Orientation.*

Contact Beth Bronkar, Career Development Coordinator at bbronkar@c-tec.edu for more information.
