

**Public Safety Instructors**

Job Type – Part time EMT and Fire instructors for adult and high school programs

Credential- Currently certified by the ODPS, EMT and/or Fire Instructor card

Job Description – Instructors that would like to work flexible, part time hours. You will be working with experienced Public Safety Instructors in the classroom as well as in practical application meeting state required ratios. The instructors prepare the students for their credential test and a career in Public Safety. We currently offer multiple EMT and Fire training classes each semester as well as the EMT and Paramedic Refresher classes.
